As needed, the supervisor shall work with the employee to address arrangements and scheduling to ensure that the employees’ essential job duties are covered during the break time.

The employer will provide employees with a private location, other than a restroom, that provides privacy and is free from intrusion. The lactation space must be safe, clean, and free of toxic or hazardous materials; contain a place to sit and a surface to place a breast pump and personal items; and have access to electricity or alternative devises, such as extension cords, needed to operate pump devices.

Lactation accommodations are considered on a case-by-case basis and may only be denied in limited circumstances and in accordance with the law.

The break time for an employee to express milk should, if possible, run concurrently with the employee’s break time. If the time for an employee’s break time does not run concurrently with the break time needed to express milk, or when additional time is necessary, the break time for the lactation accommodation will be extended. The sick leave conversion rate is 2000 hours = 1 year of service credit. 500/2000 = .25. This results in an additional quarter year worth of service credit. The total service credit will be increased to 10.25 years, which increases monthly pension in retirement.)*

3. Employees shall be evaluated by their designated supervisor(s) during their probationary service. Each employee will meet with his/her supervisor in the first two (2) months of employment to go over the specific job duties, job description and be provided an initial evaluation. Annual evaluations are available upon written request from either party.

For annual evaluations, supervisors shall have a minimum of six (6) months of direct supervision of the employee prior to providing the employee with an evaluation.

4. The evaluation shall be discussed with the employee, and the form shall be signed by the employee to only indicate that he/she has read the evaluation. The employee may respond in writing on the form or attach a written response.

5. No evaluation of any employee shall be placed in the personnel file without an opportunity for discussion between the employee and the evaluator(s). Evaluations shall be based upon the direct observation and knowledge of the evaluator and shall not be based upon hearsay. If evaluation contains a negative comment, the evaluator must have had a prior conversation with the employee about the issue(s). Any negative evaluation shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made. DISCIPLINARY PROCESS

1. General

z. A permanent employee may be disciplined; i.e., suspended without pay, demoted without consent, or dismissed by the Employer. Verbal and/or written reprimand will normally precede a disciplinary action. Prior to disciplinary action, other than a written reprimand, the Union shall be notified.

aa. This article does not apply to initial probationary employees in the Bargaining Unit who have not otherwise achieved permanent status.

2. Reasons

Among reasons that may be deemed sufficient for discipline are the following:

a. Repeated unexcused absences;
b. Repeated, unexcused tardiness;
c. Failure to perform regular or other assigned duties;
d. Conviction of any criminal act involving moral turpitude;
e. Disorderly or immoral conduct while in a paid status;
f. Violation of any lawful order by a supervisor;
g. Insubordination;
h. Incompetency or inefficiency in performance of duties;
i. Intoxication while on duty;
j. Misuse of narcotics or illegal use of drugs;
k. Damage to or waste of County Superintendent of Schools property or supplies due to negligence or willful acts, or conversion of public property;
l. Violation of any of the Employer’s regulations regarding duties, conduct, or performance of a confidential employee;
m. Willful conduct tending to injure the public service;
n. Willful, negligent or persistent violation of rules and regulations;
o. Failure to maintain licenses or certificates required for the position by law or policy.

3. Process

The following steps of progressive discipline process shall be applied in disciplining employees except where the serious nature of the offense justifies bypassing any of the steps outlined below. The sequence below from verbal warning to suspension must be within a two (2) year period.

An employee may be immediately placed on paid administrative leave, pending an investigation, when his/her continuing presence would be seriously detrimental to the welfare of the County Superintendent of Schools, students, or employees. Such leave may be initiated by the Assistant Superintendent/Human Resources or his/her designee, and the employee will be notified of any reason(s) for paid administrative leave.

23 No changes- 3/2008; No changes- 7/2011; Amended 1.b.2.a: Added 2.n,2.o, section 3- 11/2017; No changes – 6/2020;
a. Verbal Warning

The supervisor shall first issue a verbal warning before imposing further discipline. Verbal warnings may result in a post-conference summary memorandum. This memorandum shall not be placed into the employee’s personnel file, but may be attached to a Written Reprimand and placed in the personnel file if additional steps of the progressive disciplinary process are utilized.

b. Written Warning/Counseling Memo

A written warning or counseling memo will not be used unless the employee has been verbally counseled/warned for a separate and similar action or infraction. The written warning shall not be placed in the employees' personnel file, but may be attached to a Written Reprimand and placed in the personnel file if additional steps of the progressive disciplinary process are utilized.

c. Written Reprimand

An employee, against whom disciplinary action will be taken, shall meet with the Assistant Superintendent/Human Resources or his/her designee prior to written notification of official charges. The employee shall be informed orally of the reasons for disciplinary action and the action to be taken and be given an opportunity to orally respond.

Written reprimand will not be used unless the employee had received a verbal warning and a written warning for a separate and similar action or infraction. A written reprimand may be placed in the employee’s personnel file.

d. Discipline

The employee shall not be suspended without pay, demoted without consent, or dismissed unless there is served upon said employee a written notice and statement of charges of the County Superintendent’s recommendations. The notice shall be served personally, or by certified mail if repeated efforts to contact the employee fail to be returned within five (5) business days. Service by certified mail shall be deemed complete on the date of mailing. Such notice shall include the following:

- A statement identifying the supervisor;
- A statement in ordinary and concise language of the specific acts and omissions upon which the proposed action is based;
- The disciplinary action recommended;
- The cause(s) or reason(s) for the action taken;
- Copies of any supporting documentation (counseling memo, etc);
- A copy of the applicable regulation(s) where it is claimed a violation of regulation(s) took place;
- A statement of the employee’s right to a hearing on the charges before a hearing officer;
- A form, which constitutes a denial of charges and a demand for such hearing.

Suspension without pay will negatively impact service credit for retirement and seniority.
An employee is entitled to be represented by the Union at any stage of the discipline process.

An employee may attach their own statement to any documentation in the progressive discipline process.

4. **Demand for Hearing**

No later than the tenth (10th) workday after the effective date of the disciplinary action, the employee shall deliver or mail his/her demand for hearing to the County Superintendent of Schools. Failure to submit said demand for hearing within the time allowed shall constitute a waiver of the employee’s right to a hearing.

In the absence of a timely demand for hearing, the Superintendent’s disposition of the matter shall be final.

By demanding a hearing, the employee waives his/her rights under the grievance procedure outlined in Article 6 of the Agreement with regard to the disciplinary action.

5. **Hearings**

a. Hearings shall be held by a hearing officer mutually selected by the parties.

b. Such hearings shall take place within a reasonable period of time but not before five (5) calendar days after the filing of a request for a hearing.

c. Hearing shall be presided over by the hearing officer.

e. The employee shall have the right to appear in person on his/her own behalf, with counsel, or such representation as he/she requests to represent his/her defense.

6. **Hearing Procedure**

a. The hearing officer shall conduct the hearing and shall rule on questions, evidence, and procedure.

b. Either party may call witnesses, introduce evidence, testify, and question witnesses.

c. The charging party has the burden of proof and shall first present evidence and testimony.

d. Normal procedures shall be followed; i.e., charging party presentation, defense cross-examination, defense presentation, charging party cross-examination, and rebuttal evidence from each party.

e. All fees and expenses of the hearing shall be shared equally by the parties.

7. **Decisions**
a. **Hearing Officer**

The recommendation of the hearing officer shall be submitted to the Employer and shall be in writing, summarizing the factors, setting forth findings, and making a recommended decision.

b. **Employer**

Unless the Employer, within five (5) workdays following receipt of the decision, determines to review further the proceedings of the hearing with a view toward making the Employer’s own findings and conclusions in the matter, the decision of the hearing officer shall be adopted by the Employer as its own decision. The findings and conclusions of the Employer will be made within thirty (30) calendar days of the decision to review the matter and will be final.

8. **Limitations**

No disciplinary action shall be taken for any cause which arose prior to the employee’s becoming permanent, nor for any cause which arose more than two years preceding the date of the filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could reasonably be assumed that the employee should have disclosed the facts to the Employer. Disciplinary action taken shall be commensurate with the offense, with the understanding that the Employer’s determination of the sufficiency of the cause for disciplinary action shall be conclusive.
ARTICLE 24

CONTRACTING OUT\textsuperscript{24}

1. The Employer agrees to meet and consult with the Union prior to contracting out work which has been customarily and routinely performed by employees in the Bargaining Unit covered by this Agreement, unless specifically required by the Education Code, and/or the work contracted out is in excess of that which could be reasonably performed by regular personnel.

ARTICLE 25
LAYOFF, DISPLACEMENT, AND REEMPLOYMENT²⁵

1. **Reason for Layoff**

   Employee layoffs shall occur due to lack of work or lack of funds.

2. **Definition of Layoff**

   a. A layoff action constitutes written notice to an employee that his/her position is being abolished due to lack of work or lack of funds. A layoff action also includes any reduction in hours or days of employment, or assignment to a class lower than that in which the employee has permanent status, voluntarily consented to by the employee, in order to avoid interruption of employment by layoff.

   Upon the request of the Union, the Parties (CCCOE and the Public Employees Union, Local One) shall bargain the impact of the employee being laid off. If in the event the layoff affects the workload of other employees, the parties shall meet to discuss the duties.

   b. A classified employee may not be laid off if a short-term employee is retained to render a service that the classified employee is qualified to render. (Ed Code 45117 (c)(1)).

3. **Notice of Layoff**

   a. Employees affected by a layoff action shall be given notice of layoff not less than 60 calendar days prior to the effective date of layoff, and informed of their displacement rights, if any, and reemployment rights.

   b. Employees in positions where a reduction in hours or days of employment is affected shall be sent a layoff notice and informed of their displacement rights, if any, similar to that outlined above.

   c. When two or more positions within an existing class are eliminated, and two less senior positions exist within the same or a lower level class, the preference of the employees electing to exercise their displacement rights shall be considered in seniority order. The Employer shall make final determinations of assignments, given the reasons are neither arbitrary nor capricious.

4. **Order of Layoff and Reemployment**

   a. The order of layoff within a class shall be determined by length of service. The employee who has been employed the shortest time within a class, plus higher classes, shall be laid off first.

   b. If an employee has displacement rights and wishes to exercise such displacement rights in lieu of layoff, displacement will be to the least senior position within the employee’s

²⁵ Section 2 Amended- 6/2014; Deleted 8.a, 8.b: Added 8 Reemployment- 6/2017; Added 2.b- 6/2020;
existing classification with an equal number of hours worked per year, if such position exists. In the event there is no such position, displacement will be to the least senior position within the employee’s existing classification with the next highest number of hours worked per year.

c. When an employee occupies a position being eliminated and had displacement rights to a lower classification, such employee will bump the least senior employee in the lower classification.

d. When two or more positions within an existing class are eliminated, and two less senior positions exist within the same or a lower level class, the preference of the employees electing to exercise their displacement rights shall be considered in seniority order. The Employer shall make final determinations of assignments, given the reasons are neither arbitrary nor capricious.

e. “Length of service” means all hours in paid status, whether during the school year, a holiday, recess, or during any period that a school is in session or closed; but does not include any hours compensated solely on an overtime basis. In determining order of layoff in a lateral class (where an employee has permanent status in more than one class at the same salary rate), the original class, prior to lateral movement, shall be considered a lower class for purposes of seniority within class.

5. Voluntary Demotions and Reductions in Hours

a. Employees who take voluntary demotion or voluntary reductions in assigned hours in lieu of layoff, or choose to remain in their present positions rather than be reclassified or reassigned, shall retain eligibility to be considered for thirty-nine (39) months and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24) months.

b. When an employee was initially employed and gained permanent status in an identifiable entry-level position within an existing classification series, such employee shall retain seniority for that entry-level position, even though the position has been reclassified and/or the title changed, provided the employee meets the stated qualifications outlined for the entry-level position.

6. Equal Seniority

When two or more employees subject to a layoff action have equal seniority, the employee with the longest total continuous service, highest interview score for the class selected, or the earliest date of receipt of an employment application for that class shall be used in that order until the tie is broken to determine which employee shall be listed higher.

7. Option to Continue Health Plan Coverage

Employees who are laid off may elect to continue coverage under the available health, dental and vision plans for up to eighteen (18) months in accordance with provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA). This continued health coverage requires the laid-off employee to pay the premium costs directly to the carrier.
8. Re-employment

bb. Employees laid off are eligible for re-employment in reverse order of layoff for a period of thirty-nine (39) months and shall be offered the opportunity for re-employment to the position they formerly held prior to the Employer accepting new applicants within the class from which the layoff occurred.

When a vacancy occurs, the senior employee who has held prior permanency in the position shall be notified by phone and by certified U.S. mail at his/her last known address and given the opportunity to accept or reject appointment into the vacant position. The employee shall advise the district of his/her decision no later than 10 calendar days following notification. If the employee accepts, he/she shall report to work no later than two calendar weeks from the vacancy notification date or on a later date specified by the employer.

If the laid off employee declines the position being offered, they will maintain their same senior status on the reemployment list for the remaining of their thirty-nine (39) months.

When a laid off employee is re-employed, all accumulated sick leave credit shall be restored. A laid off permanent employee shall be reemployed with all rights and benefits accorded to him/her at the time of layoff.

A laid off probationary employee shall be re-employed as a probationary employee, and the time served toward the completion of the required probationary period shall be counted. He/she shall also be reemployed with all rights and benefits accorded to him/her at the time of layoff.

A laid off employee, when re-employed, shall be placed on the salary step held at the time of layoff. An employee who bumped into a lower class shall, when reinstated to the previous class, be placed on the salary step to which he/she would have progressed had he/she remained there. An adjusted anniversary date shall be established for step increment.

cc. Employees on the 39th month re-employment list will be given preferential consideration on positions outside of their classification. Employees who wish to be considered for vacant positions in which they possess no re-employment rights (out of their classification) shall advise the employer of their desire to be given notice of openings by completing an electronic job interest card on the CCCOE website.

CalPERS Circular Letter No.: 200-055-12

Definition of a New Member
A new member is defined in PEPRA as any of the following:

- A new hire who is brought into CalPERS membership for the first time on or after January 1, 2013, and who has no prior membership in any California public retirement system.
- A new hire who is brought into CalPERS membership for the first time on or after January 1, 2013, and who is not eligible for reciprocity with another California public retirement system.
- A member who first established CalPERS membership prior to January 1, 2013, and who is rehired by a different CalPERS employer after a break in service of greater than six months.

Effective January 1, 2013, every new enrollment will be tested against this definition of “new member”, regardless of whether the enrollment is for a first-time CalPERS member or an existing CalPERS member.

It is important to note that if a member has a break in service of more than six months but returns to service with the same employer, the member would not be considered a new member under PEPRA. All State agencies, including CSU, are treated as a single employer under PEPRA, as are all school employers.

CalPERS refers to all members that do not fit within the definition of a new member as “classic members”. All existing CalPERS members as of December 31, 2012, will retain the existing benefit levels for future service with the same employer. Because the new member determination is made on an appointment-by-appointment basis, classic members will be tested against the “new member” definition upon each new appointment and, in some cases, may become “new members” for services under a new appointment. PEPRA does not require retroactive reductions to benefits earned for prior service, even where a member separates from service and is later re-hired as a new member by a new employer and becomes subject to the applicable PEPRA formula. In these cases, the member’s “classic member” service will be calculated separately from his or her service as a “new member”.

9/80 Work Schedule Plan

Education Code Section 45133 provides that a County Superintendent of Schools may establish a nine-hour-per-day, eighty-hour-per-two-week work schedule with the concurrence of the employee organization Section 8.1.a (3) of the Master Contract with representatives of the Classified Units reflects mutual agreement between the Employer and the Union whereby a 9/80 Flexible Work Schedule may be implemented in specific work units for specific classified positions.

The 9/80 Flexible Work Schedule Plan consists of eight nine-hour days, one eight-hour day, and one scheduled day off in the 9/80 two-week cycle. Work units participating in the 9/80 Plan may select either Friday or Monday as a scheduled day off every other week. The scheduled day off will be the same day as the eight-hour day; i.e., if the employee’s scheduled day off is every other Friday, then the Friday the employee works will be the eight-hour day.

The 9/80 work week will begin on noon on Friday/Monday, depending upon which day is selected as the day off during the two-week cycle; and will end at noon the following Friday/Monday. The diagram shown below identifies Friday as the schedule day off:

Implementing the Work Plan Schedule

Effective on or following July 1, 1994, the 9/80 work schedule may be implemented in a CCCOE work unit for full-time classified unit members.

Participation in the 9/80 Plan

Participation in the 9/80 Plan is on a voluntary basis for full-time general classified unit members. Part-time, temporary, and probationary employees may not participate in the 9/80 plan. Employee(s) must complete a 9/80 application form (attached) which must be approved by the employee’s immediate supervisor, along with concurrence of the Department Head/Director.
9/80 Plan Termination or Change

Employees must give their supervisor two weeks notice of their intent to return to a regular work schedule. The two week 9/80 cycle must be completed; employees have the option of using accrued vacation or leave time (excluding sick leave) to complete the cycle. An employee opting out of the 9/80 plan may transfer back only once in a twelve-month period.

Adequate coverage must be maintained in each work unit. Should the needs of the work unit not be met or changed it is understood that the employee may be required to return to a regular work schedule.

Employees who are promoted, reclassified, reassigned, or transferred must re-apply to participate in the 9/80 plan for their new position. The Employer may, at its sole discretion, modify and/or terminate the 9/80 Flexible Work Schedule Plan after meeting with representatives of the Union to discuss the reasons for modification or termination.

Imbalance of Hours

If an imbalance of hours occurs between the regular work schedule and the 9/80 Plan schedule an adjustment will be made in the next pay period providing time off or charging vacation/leave time accrual equal to the imbalance of hours.

Holidays

If a holiday falls on a nine-hour work day, the employee will observe an 8 hour holiday. The employee has the option to use one hour of accrued leave time (excluding sick leave) or leave without pay on the holiday or to work nine hours on their scheduled 8 hour day during the two week cycle.

If a holiday falls on an employee’s scheduled day off, the employee will take the preceding or following day off. Notice must be given to the supervisor of the employee’s intent prior to the holiday. If a conflict or problem results from the employee’s taking the preceding or following day off, the supervisor may approve an equal leave time to be taken within the two week cycle in which the holiday occurs.

Sick Leave/Vacation

Employees participating in the 9/80 plan may NOT use sick leave on their schedule day off.

Sick leave and vacation will be accrued in the same manner as in the regular work schedule. Sick leave and vacation will be tracked on an hour for hour basis.
For example:

- If an employee is out sick on a 9 hour work day, 9 hours will be charged to sick leave.
- If an employee takes two consecutive weeks of vacation, 80 hours will be charged to vacation.
- If an employee takes a week of vacation that includes his/her regularly scheduled 8 hour Friday, 44 hours will be charged to vacation.
- If an employee takes a week of vacation that includes his/her scheduled day off, 36 hours will be charged to vacation.

In the event that a 9/80 Plan Participant enters a difference pay situation a substitute will be utilized and the Plan Participant will receive difference pay for the number of hours he/she was scheduled to work that particular day.

The employee’s immediate supervisor will be responsible for monitoring all sick leave and vacation.

**Disability/Worker’s Compensation**

Any employee who is off due to disability or workers' compensation will return immediately to the regular work schedule for payroll accounting purposes.

**Overtime**

Overtime shall be defined as stated in E. Code 45133: “The overtime rate shall be paid for all hours worked in excess of the required workday, which shall not exceed nine hours, at a rate equal to one and one-half times the regular rate of pay for the employee designated and authorized to perform the work.”

**Jury Duty/Voluntary Training**

Employees on the 9/80 plan will not receive overtime or additional time off for jury duty or voluntary training when it falls on their scheduled day off.

**Federal and State Regulations**

All applicable federal and state regulations pertaining to work hours shall be followed.'

**Employee Notification**

All eligible employees shall receive a copy of the 9/80 Work Schedule Plan prior to its implementation.
